To whom it may concern,

By means of this letter I would like to state that Mr. Muhammad Ulil Albab is a Student Ambassador representing Studyportals at Lodz University of Technology, being part of our 'League of Students' community since May 2018. This is a volunteer programme and members are rewarded in the form of points.

Studyportals strongly believes that studying abroad enriches every person, creating more understanding for different cultures, norms and values. We want to inspire more people to make this step. For this reason, Mr. Muhammad Ulil Albab, as our Ambassador in Lodz, has been contributing to our goal of promoting education transparency and disruption in the Higher Education market. Our aim is to make the step of going abroad easier by giving better insights based on other students' experiences.

Should you have any other questions, please do not hesitate to contact me at andres@studyportals.com

Yours sincerely,

Andrés Proaño Revelo
